

Medical Center Dress Code

Clinical Dress Code

The colors shown here are approximate and may be distorted by your computer.
The [Landau](#) web site was used for colors and color names.

Uniforms may be purchased from any company as long as the colors match the color swatches on the [Landau](#) and [Cherokee](#) sites.

In addition to these uniform colors, you may also wear a scrub top and / or a lab jacket with prints with the background color the primary color as designated for each role.
