### **MUSC HEALTH – LANCASTER/CHESTER DIVISION**

Lancaster, SC (April 23, 2021) – Camille H. Filoromo, BSN, M.E.d., Ph.D., RN, NEA-BC, has joined the MUSC Health – Lancaster Division’s Executive Leadership Team as Chief Nursing Officer at MUSC Health – Lancaster Medical Center on Monday, April 26, 2021.

Previously Filoromo served as the Senior Director of Clinical Excellence at St. Jude Children’s Research Hospital, where her responsibilities included oversight for all Magnet accreditation and nursing regulatory compliance matters, education, nursing research, and process improvement. Prior to her role at St. Jude Children’s Research Hospital, Camille served as Director of Acute Care, Trauma, and Musculoskeletal Integrated Care Centers of Excellence at MUSC Health and Associate Clinical Professor at MUSC. Prior to this position, she held various leadership roles at medical centers and health systems in Alabama, Tennessee, and Pennsylvania.

“I am delighted to welcome Camille to the Lancaster / Chester Division of MUSC Health,” said J. Scott Broome, MHA, MAIS, FACHE. “I am confident that the knowledge, experience and skillsets she brings will help elevate the level of care we provide to the communities we serve. A primary goal for MUSC Health is to provide access to higher levels of care closer to where patients work and live. Camille’s background and experience will help us achieve this aim.”

Brian Greig, DNP, MSN, RN, CCRN-K, who has been the Chief Nursing Officer of the Lancaster and Chester facilities for the past couple of years, has transitioned to oversee nursing care fulltime at MUSC Health – Chester Medical Center.

“We thank Brian for his nursing leadership at MUSC Health – Lancaster,” said Broome. “We are very appreciative of the contributions Brian has made to our division, and excited for his continued leadership in Chester.”
