208 B Rutledge Avenue, MSC 108

Charleston, South Carolina 29425

Phone: 843.792.7262

Fax: 843.792.1751

Reason for consultation (please check one):

- Evaluation for surgical treatment of Parkinson's disease.
- Evaluation for surgical treatment of tremor.
- Evaluation for surgical treatment of dystonia.

Name of Patient \_\_\_\_\_

Patient's Date of Birth \_\_\_\_\_

Referring Physician's Name \_\_\_\_\_

Referring Physician's Office Telephone \_\_\_\_\_

Referring Physician's Contact for patient information: \_\_\_\_\_

Primary Insurance: \_\_\_\_\_

In order to expedite the referral of a surgical candidate, please fax this form to 843-792-1751. Upon receipt, we will contact your office to obtain the appropriate patient information and help with authorization, if needed. We will then notify the patient and coordinate a movement disorders evaluation with Dr. Revuelta.

To be a surgical candidate, the Parkinson patient should have:

- Idiopathic Parkinson's Disease
- Motor fluctuations OR refractory tremor
- Lack of dementia.
- Lack of treatment refractory psychiatric diagnosis.

To be a surgical candidate for tremor or dystonia, these conditions need to be disabling and medically refractory.
