

Scheduled Consults Reference Guide

Step 1: Call MUSC ATC @ 843-792-8316

Step 2: Pre-Consult

- Place cart approximately 3 feet from patient
- Register the patient 5-10 min. before scheduled consult time
- Choose the Generic or General Neurology Template

Step 3: Registration

- Ordering Physician Name
- Nurse Name (first name is fine)
- Current Vital Signs
- Weight

Step 4: During Consult

- Be prepared to present the patient to the MUSC provider (SBAR)
- Have patient's EMR open and answer questions as needed
- Assist with clinical exam as requested

Step 5: Post-Consult

- Print the signed consult summary pdf and place in chart
- Notify the Ordering Physician that the consult is completed and available for review
