

New Plan Enrollment Code effective immediately.

Effective immediately, we have reset the Deferred Comp Plan Enrollment Codes a few weeks early. The Plan Enrollment Codes that were set to expire June 1, 2025, are replaced with the codes below.

We also removed the Plan Enrollment Code from the Enroll now webpage at southcarolinadcp.com and are directing employees who want to enroll to their Human Resource office or local retirement plan advisor to obtain the codes. You may share the codes below with your employees or access them yourself via the Plan Service Center. To access the current codes, log in to your PSC account, select the applicable plan, then *Participants* and *Employee forms*. Select *Plan Enrollment Code* flyer to download the current code for the plan chosen.

Please share the information below with your employees to encourage them to enroll in Deferred Comp online.
